What is this product?

Type

Collection (the "Umbrella Fund"), with multiple compartments ("société d'investissement à capital variable" ("SICAV") à compartiments multiples) governed by Luxembourg law, established in accordance with the provisions of by Part I of the Luxembourg law of 17th December 2010 and thus qualifies as a UCITS.

Term

The term of the Sub-Fund is unlimited and therefore there is no maturity date. The Management Company may not unilaterally terminate the Sub-Fund.

Objectives

Investment Objective

The investment objective of the Sub-Fund is to achieve a return in excess of the US equity market by investing primarily in US companies. The Investment Manager uses a research-driven investment process that is based on the fundamental analysis of companies and their future earnings and cash flows by a team of specialist sector analysts. The Sub-Fund may also invest up to 20% of its total assets in Canadian companies.

The Sub-Fund will invest at least 67% of assets invested in listed equities and equity-type transferable securities of companies that are domiciled or carrying out the main part of their economic activity, in the United States of America. The Sub-Fund may also invest up to 15% of its total assets in eligible closed-ended Real Estate Investment Trusts.

Investment Policy

The Sub-Fund is actively managed. The Benchmark of the Class is MSCI USA Net Total Return GBP and is shown for comparison purposes only, without implying any particular constraints to the Sub-Fund's investments.

Extra financial considerations (Environmental, Social and Governance ("ESG")) are fully integrated in the investment process of the Sub-Fund. Therefore, the Sub-Fund will focus on companies whose social and environmental factors and methods of governance have a sustainable impact on financial performance. All of the three ESG criteria are applied according to the following main criteria:

- Governance: Board structure, independence and diversity; business ethics, bribery and corruption.
- Social: Human resources management and customer/supplier relations.
- Environment: Energy efficiency, waste management, carbon emissions reduction.

An Extra-financial analysis process is used to assign an ESG score based on an internal analysis and/or on the data provided by an extra-financial rating agency in order to define the eligible investment universe.

Further information regarding the way the fund's sustainable investment objective is achieved is available in the fund's prospectus. The fund is subject to Mirabaud Sustainable and Responsible investment policy.

Share Class Policy

In principle, this Class gives you the right to receive dividend distributions.

This Class is a hedged share class, which means that the currency risk between the Sub-Fund currency and the Class currency is reduced, but not completely eliminated.

Processing of subscription and redemption orders

The Sub-Fund offers daily liquidity, whereby you can subscribe to the Sub-Fund or redeem your assets on any business day in Luxembourg, with the exception of business days mentioned in the "No NAV Calendar" published on the website.

Intended retail investor

Suitable for investors with all levels of knowledge and/or experience, seeking capital growth and who have an investment horizon of at least 5 years. The product does not have any capital guarantee and up to 100% of their capital is at risk.
